MULTIDISCIPLINARY CENTRE FOR  
RESEARCH, EXTENSION AND LEARNING  
SREE SANKARA COLLEGE, KALADY.

**16<sup>TH</sup> YEAR DOSSIER. 2019-2020**

## CROSS CAMPUS CLASSROOM (C3)

The Centre launched another innovative teaching learning programme this year – Cross Campus Classroom (C3), where select sessions from the syllabus by the teachers of our college are opened to the young, enthusiastic scholars from the other disciplines and other institutions.

- C3 on “Arthur Miller’s The Crucible” by Dr Sujeesh C. K. (which was attended by 9 students from other campuses also) and
- C3 on “Players of the Immune System” By Dr S. Mohan (which was attended by around thirty students from other disciplines) were held during the year.

## INNOVATIVE TEACHING

In the academic scene of higher education in Kerala, Renaissance continues to foster quality benchmarks with its programmes, which include the innovative teaching learning platforms accessible to students across the State:

- Synergy: The Classroom Theatre (Two were done in other campuses)
- Renaissance Patasala for theories of Humanities (Two were done in our college)
- Compass: the Monthly Colloquium of research presentations (Three were done in our college).

## MILESTONES

### MOOC

The year 2019 -2020 became a historic one both for the Centre and the College, as the Centre passed another milestone – foraying into the Massive Open Online Courses (MOOC) on the UGC Swayam Portal, the official Online Platform of the MHRD, India.

### COLLABORATIONS

The Centre collaborated with the Central University of Kerala. We thank Dr Joseph Koippally, the HoD of the Department of English, Central University of Kerala for the trust he reposed on us and to have made the Centre, part of the MOOC programme launched this year.

### SESSIONS

Dr Sujeesh C K gave a session in the Course “Shakespeare Across Cultures” along with the other eminent English scholars from different parts of the country. We salute the team of Renaissance members – Sudeep Moothmana, Pranav Dange, Radhika S. and Adityan S. – for the diligent technical support.

**HIGHLIGHT EVENT**

**MINI CIVIL STATION  
PERUMBAVOOR**

# **WINNING THE WALL**

Winning the Wall, the art painting on walls series became a social event this year as Team Renaissance was invited by the Tahsildar of the Mini Civil Station at Perumbavoor to clean and beautify the compound wall of the Mini Civil Station. Renaissance conducted a 5 Day Winning the Wall event in which 180 M long part of the Compound Wall was cleaned and beautified with paintings by a team of twenty students led by the Coordinators, Prof Sreedevi N. S. and Dr Aparna Nangiar. Defying the blistering heat of February and March, other teachers from the college, school students from the locality and some enthusiastic people from the locality including the auto drivers also took part in the event.

WINNING THE WALL

● **Express News Service**

Sujeesh C K interacting with students during a Synergy session

son, Department of English, Sree Sankara College, who says that Synergy is an experimental classroom theatre. "When a person comes to define drama, the stage they paint is very colorful. One can't imagine a drama being staged without props, costumes and even mikes" he said. However, Synergy is different in every way.

—Sujeesh C K, asso

"Hamlet is the most Shakespearean play of Indian playwrights," featured Girish Karnad. *Hayavadana* is the largest," said Sujeesh.

The synergy expressed has been successfully demonstrated by the work of gene O' Neil's *Em* Albert Camus's *C* liam Shakespeare *pest*, *Macbeth*, *The Venice*, *Julius Ca* Karnad's *The Fire*. *N a g a m a n d a* *Hayavadana*. The drama meet ganised jointly by Sree Sankara Coll and the Research

 - 24 March -

"To defend the country and render national service when called upon to do so," is one of our fundamental duties. Relying and following the government's instructions and believing their efforts shall be the best national service which one can render at this stage of emergency.  
 CORONA or COVID-19 pandemic has severely acquired control over the world. It's has conquered almost all major nations. India is one of the prospective hotspot for widespread outbreak of COVID-19 after it's massive attack in China and Italy.  
 India is almost in the verge of Stage -3 outbreak that
